

MTFIDA ACTION PLAN PROGRESS REPORT FEBRUARY - JUNE, 2021

Improve the City's facilities, services, parks, and public spaces for persons with disabilities

- ✓ Embedded image descriptions are now added to images on social media.
- ✓ Identified areas of improvement for website accessibility, and implemented accessibility interface from AccessiBe.
- ✓ Updated Neighbourhood Grant Program documents to increase accessibility.
- ✓ Active Transportation Plan and parks planning engagement with the Accessibility Advisory Panel.

Prioritize relationship building with our Indigenous neighbours

- ✓ Indigenous Connect Meetings (*established and in progress*).
- ✓ Implemented Land Acknowledgment at the start of Council meetings and in staff email signatures.

Explore and identify funding opportunities to support inclusion, diversity, and accessibility

In Progress:

- ⌚ Continue to support organizations and grassroots initiatives for equity.

Prioritize the well-being of marginalized community members

In Progress:

- ⌚ Draft Equitable Practice Guidelines for City staff for Council's consideration.

Prioritize opportunities for equitable and inclusive education for City staff

In Progress:

- ⌚ Inclusive, Diversity & Accessibility Curriculum for staff in development with consultant.
- ⌚ HR researching CRRF Anti-Racism workshop.

Create opportunities for marginalized voices and identities to have access to City of Chilliwack decision-makers

- ✓ Mayor's Open-Door Friday's launched.
- ✓ Guidelines to help committees prioritize diversity in membership.
