Date: 11/9/2016 **Author:** Traffic King Ent **Project:** Sandpiper-Chilliwack - Corbould St

Comments:

- Work will take place between 7am and 5pm
- While work takes place the west bound lane on Hodgins Ave Traffic will be single lane alternating in the east bound lane. south bound traffic on Corbould will be diverted to travel in the south bound right hand turn lane only, north bound traffic will travel in the south bound left hand turn lane. north bound lanes will be closed.
- "No Parking" signs will be placed where needed prior to work beginning
- TCP's will ensure they are aware of all emergency vehicles at all times
- Tcps will be aware of pedestrians and cyclists at all times
- All signs and traffic control devices are to comply with MOT Manual for Work on Roadways

Traffic Signals will be shut off in order to allow TCPs to move traffic through intersection, giving priority to higher volume traffic and Emergency Vehicles. Pedestrians Traffic Of high priority as cross walk signals will not be active.
