As in all wooded areas there are a few cautions:

- When windy, branches may fall without warning.
- Some trails are one-way only; follow signage.
- Share the trail; watch for other trail users.
- Trails may be slippery when wet, frosty or snow covered.
- Stay on trails to avoid damaging plants.
- No garbage facilities; if you pack it in - pack it out.
- Wildlife may be encountered on many trails; make noise since you are in bear country.
- Report any damage or hazards to Park Operations at 604-793-2810.
