Comments:

CITY OF CHILLIWACK

Zone 1 will be done off road, Parallax will be doing aerial cable work

Zone 2 will be a road crossing, Traffic Control will need to hold all traffic for 5 minutes while Parallax does aerial work across the intersection

Zone 3 will be done as Single Lane Traffic

Each Zone will be done separately

H1080 will be applied for along with the City of Chilliwack

All specifications are based on the MOTI Manual 2020 Edition

This plan is based on a 50km/h and 60km/h roadway speed
