

# December Holiday Fire Safety

## Christmas Tree Maze

At home you should plan and practice a home escape plan with your family. Just like your escape plan, find your way out of this maze.

Also, remember these safety tips for your home fire escape drill:

- Crawl low to avoid smoke and heat.
- Feel doors with the back of your hand before opening them.
- If the door feels hot, find a second exit.
- Get out and stay out.
- Go to your meeting place
- Call 9-1-1 from a neighbour's phone
